For Non-thesis Option, 2 Additional Classes Taken (6 hours)—must be approved by advisor

<i>Course no. and title/subtitle</i>	<i>Sem/Year</i>	<i>Hours</i>	<i>Grade</i>	<i>Instructor</i>

Thesis Advisor:

Advisory Committee:

Note: In lieu of a thesis, it is required that research competence must be demonstrated for all MA students regardless of concentration. This paper should be exemplary of the research and writing skills the student acquired and refined during the degree program. The paper must be submitted one (1) semester prior to graduation to the faculty who will evaluate. The faculty reviewer will pass on the acceptability of the paper, then student provides a clean copy to the Associate Graduate Director along with the signed form which serves as the signature page, and the version that was evaluated. Once the signature cover page is signed by the Associate Graduate Director, it goes to the Graduate Administrator, who will provide the Office of Graduate Studies a copy.
